

# 2018 Sept/Oct Series

BARCELONA • IBERIAN PENINSULA

## Pan Europe Asia Legal Conference

Barcelona, Spain

29 September—6 October 2018

*Known as the 'cradle of Spain's imagination', Barcelona is a city continually reinventing itself, a wonderful canvass for all things art. Gothic structures meet whimsical Catalan architecture, historic museums and modern galleries clash against grungy displays of street art; and feats of culinary artistry are exhibited across a plethora of buzzing tapas bars and Michelin-starred restaurants.*

Catalonia's capital also offers sun-drenched Mediterranean beaches, perfect for taking a stroll, swimming, stand-up paddle boarding, and more. In October, the days are mild and the nights are cool - perfect for exploring the many delights Barcelona offers on a platter.

Stroll along waterfront Barceloneta, the pedestrian-only shopping street of La Rambla, wander through the narrow lanes and courtyards of the gothic quarter and tour Gaudí's majestic Sagrada Família and his other unique creations. Barcelona's nights hold endless possibilities — linger over regional wine and paella at Barcelona's bohemian bars, enjoy a relaxing cocktail at a chiringuito, or enjoy Barcelona's vibrant and eclectic live music scene.

The academic program has always been the centrepiece of our conferences, but an equally important element is the networking activities we organise outside the professional program. The interaction facilitated by CPE Conferences' social programs have established an increased camaraderie between professionals of all backgrounds and specialties, a mutual

referring of clients and access to professional resources which previously would have been either inaccessible or unknown. Many retired professionals still attend CPE's conferences due to the continued exchange with like-minded individuals.

### PROPOSED NETWORKING EVENTS

In the past, we have included an evening tapas tour. We also hope to include a walking tour of the gothic quarter, a day trip to Montserrat and a sunset cruise.

### CONFERENCE VENUES

**Academic Sessions:** TBA\*\*

**Accommodation:** TBA\*\*

A hotel summary with available accommodation options and rates is available from the conference team - book *early* to avoid disappointment.

# 2018 Sept/Oct Series

BARCELONA • IBERIAN PENINSULA

## Pan Europe Oceania Legal Conference

Iberian Peninsula (Conference@Sea - Barcelona to Lisbon)

6—14 October 2018

*With the comforts of Crystal Serenity to call home, 'Costa del Sol' offers a wonderful experience that could rival any itinerary on the other side of the Mediterranean. We commence our conference@sea by embracing the cosmopolitan capital of Spain's Catalonia region—Barcelona—a celebration of history and heir to Greek, Phoenician, Roman, Carthaginian, Gothic and Arab cultural legacies. It was the home of Picasso, Miró, Dali, Casals and Gaudí and has been described as a Mediterranean Manhattan, a cosmopolitan centre for political ideas and artistic movements.*

From **Valencia**, venture to the renowned winemaking region of Utiel-Requena not only to discover delightful vineyards but also to craft your own wine under the tutelage of a wine expert. Combine city history with equestrian traditions with **Alicante's** Medieval Alcoy & Menorquin Horse Show; or mingle with the locals at the beautiful Atarazanas central market of **Malaga**, where you will shop for tasty ingredients to be used during a cooking class, followed by lunch of the dishes you prepare. Treat yourself to a relaxing soak and massage at the authentic Arabian Hamman Baths in **Cadiz**; or explore the heights, caves and tunnels of 'the rock' in **Gibraltar**.

We conclude our conference cruise in **Lisbon**, where beauty can be found in both the grit and glamour. With seven colourful hillsides of white walls and copper rooftops, Lisbon is a picture-perfect panorama of old world glamour mixed in with grungy street art and a maze of tram tracks.

The academic program has always been the centrepiece of our conferences, but an equally important element is the networking activities we organise outside the professional program. In order to take advantage of the networking prospects available we encourage all delegates to share their professional details and bring business cards to this conference.

### PROPOSED NETWORKING EVENTS

A welcome drinks and dinner will be organised in Barcelona on the first night of the conference. Further excursions will be arranged by and payable to Crystal Cruises.

### CONFERENCE VENUES & CRUISE BOOKING

**Academic Sessions:** On board the Crystal Serenity  
**Accommodation (pre-cruise):** TBA\*\*

**Your cruise suite must be booked with CPE Travel in order to register for this conference.** A brochure with the full cruise itinerary and rates is available through your CPE Travel professional - book *early* to avoid disappointment.

## CPE TRAVEL [www.cpetravel.com](http://www.cpetravel.com)

CPE Conferences highly recommend utilising the services of our preferred travel partner CPE Travel whom we work closely with to ensure your travel requirements are met. CPE Travel are proud members of *helloworld*, the most professional and experienced network of travel agents in Australia. With CPE Travel you can benefit from access to this valuable network as well as earning and burning your AMEX points on both conference and leisure travel requirements. Be sure to enquire about exclusive 2 for 1 packages as well as pre & post conference options. CPE Travel Professionals can be contacted on 07 3135 9360 or email [travel@educationcpe.com](mailto:travel@educationcpe.com).

## ACCREDITATION

Our reading of the compulsory continuing professional development (CPD) rules for all QLD, NSW, ACT, SA, TAS & VIC Bar Associations and Law Societies is that our conferences attract one CPD point per hour of conference session attendance. We are also an approved QA Provider for the WA Legal Practice Board therefore all conferences attract points for WA solicitors and barristers. Please be aware not all conference sessions attract points and most associations and societies limit the amount of points claimable per conference. The HK Law Society approves our conferences on a case by case basis which gives lawyers from many parts of the USA continuing education points via reciprocal arrangements.

## ACADEMIC PROGRAM

CPE Conferences' success as a quality CPD provider is not based on a formula. Instead we offer an exciting kaleidoscope of internationally crafted academic and social programs perfected over the last 23 years by a team of professionals, for professionals.

Expect a broad and comprehensive academic program delivered by speakers that are innovative leaders in the fields of law, medicine, business and technology. We invite both Australian and international speakers to present papers that are interesting, informative and useful for all practitioners. CPE Conferences' academic programs include general topics as well as those from specialised areas of law. Papers in the past have covered medico-legal topics as well as criminal, family, migration and administrative law, to name a few.

Our speakers share their insights with you in an informal setting conducive to fostering an increase in both knowledge and networking prospects as well as the enrichment of your CPD experience. Our bespoke programs provide a dynamic, relevant and rewarding experience that broadens the mind through a cross-pollination of ideas, across a diverse range of cultures and professions.

Unlike other conferences, our academic agenda remains fluid until the commencement of the conference. This enables us to capitalise on the educational opportunities presented by both the location and the ever constant changes in global current affairs and technology. You will receive the final academic program at the welcome drinks event.

***Depending on the length of the conference, academic sessions are run a minimum of four hours per day across four afternoons of the conference week.***

For an indication of this conference's academic program, please request a previous academic agenda or visit our website [www.cpeconferences.com](http://www.cpeconferences.com) for past papers.
